Bydgoszcz, 21st January, 2008

Dear Sir and Madam.

I would like to invite you to the XXIII National Symposium of Telecommunications and Teleinformatics KSTiT'2008, that will take place from 10 th until 12 th of September 2008, organized at the Institute of Telecommunications and Electrotechnics of University of Technology and Life Sciences.

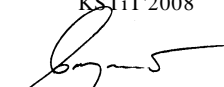

The Symposium has been combining for 24 years both the tradition and looking ahead for the newest trends not only the tendencies towards the development of the equipment services and the legal solutions but also the role of telecommunications in the inquiry society.

During the exhibition accompanying the Symposium you will have the opportunity for presenting offered equipments by your firms, subgroups or the services rendering as far as the telecommunications is concerned. Additionally you can introduce your firm and its possibilities in the firm seminars accompanying the debates of the KSTiT, which are the only ones in the in the sort of exchange the thoughts and discussions over the states and the perspectives of service development and the plan of meeting all of the circle connected with telecommunications

The National Symposium of Telecommunications and Teleinformatics is a specific event which differs from both the typical scientific ones and the typical market undertakings. Moreover, it integrates the full representation of the circle of telecommunications, it shows what happens and what are going to happen in the near future in this field. what the particular scientific centers work on, which equipment is offered by the tradesman, and which ones the operators will offer.

Undoubtedly the discussions of the greatest members of science, the members of the regulators and producers and the tradesman of the equipment will cause to define the perspective of the telecommunications preparation for the European Union legislation and integration in the field of telecommunications

Supervisor of the Symposium
KSTiT'2008

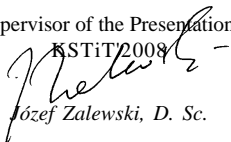

Zdzisław Drzycimski, D. Sc.
Professor of UTLS

until 06th of September, 2008
8. Sending the lectures for the competition: "The Best Firm Seminar" (7 copies)
until 06th of September, 2008

Supervisor of the Presentation,

KSTiT/2008

Józef Zalewski, D. Sc.

The Exhibition of the equipment and technology of telecommunications and teleinformatics is the event accompanying the National Symposium of Telecommunications and Teleinformatics. In order to improve of the Exhibition preparation and its course the following rules are introduced:

1. GENERAL INFORMATION

- a) The Presentation accompanying The National Symposium of Telecommunications and Teleinformatics (KSTiT'2008) taking place between 10th and 12th September 2008
- b) Grand opening of the National Telecommunications and Teleinformatics Symposium and the accompanying Presentation will take place on 10th September at 9:30 am
- c) Organizer Presentation:

**Institute of Telecommunications
of The University of Technology and Life Sciences
in Bydgoszcz
7, Kaliskiego Ave,
85-796 Bydgoszcz**

- d) You can ask about information:

e-mail: stefan.strozecki@utp.edu.pl
and
phone: +48 (052) 340 81 75

2. TIME - TABLE

- a) The hours of opening the Exhibition:
 - 10th and 11th September, 2008 from 8.30 am to 7.00 pm
 - 12th September, 2008 from 8.30 am to 2.00 pm
- b) The Presentation Office is placed in building A room 22 and is open for the participants of the Presentation in the following days:
 - 6th and 7th September, 2008 from 8.30 am to 6.00 pm
 - 8th and 9th September, 2008 from 8.30 am to 10.00 pm
 - 10th and 11th September, 2008 from 8.30 am to 7.00 pm
 - 12th September, 2008 from 8.30 am to 4.00 pm

3. THE CONDITIONS OF PARTICIPATION

- a) In order to taking part in the Exhibition the following activities must be done:
 - a) sending of the correctly filled **APPLICATION FORM** example: enclosure No. 1 (together with the signature of the authorized person and the original stamp).

- d) The firm seminars will be held simulataneously in different halls. The halls are equipped with projectors. The employees of the University of Technology and Life Sciences will be assigned to service the halls.
- e) The accepted seminars can be applied by firms and take part in the competition for "The Best Firm Seminar" - **RULES OF THE COMPETITION - enclosure No. 3.**

5.3. ELECTRICAL ENERGY

The exhibitioner in the application form defines his desire for power value, sort of feed (single-phase or three-phase). After the receiving it, the organizer will define the possibility of order realization. The payment for the energy will be calculated according to the admitted power as well as twenty - fours hours usage (power volue x 72 h).

The firms to which the energy will be delivered through the measuring disposition calculate the dues according to the state of the energy counter.

The firms in need of three - phase feed of stand must possess its switchboard with the cable OP the length of 10 m and profile 5x6 mm² finished with the plug 32A.

The invoice for the used electrical energy will be drawn up by the University of Technology and Life Sciences after the end of the exhibition.

The exhibitor is obliged to let the stand designer to know about the given power value.

ATTENTION! The organizer inserts the protections limiting the usage of the power.

5.4. ANALOGUE TELEPHONE

The invoice for making calls from the analogue telephone will be drawn up by the UTLS after the end of the Presentation.

5.5. INTERNET, ATM

The Internet, ATM as the additional service can be settled by the Academic Centre of Extensive Computer Webs in Bydgoszcz. It enables direct connection to the site Polpak-T, POL34/155, and professional service. Detailed information are placed on the address <http://www.man.bydgoszcz.pl/kstit>. The offer consists of delivering to the firm stand the cables in the standard of Ethernet, giving the addresses IP (delivering the configuration parameters), the configuration help. Contact: UORSK/MAN Bydgoszcz, 7 Kaliskiego Ave, build. 2.7 phone.: 0601617588, fax. 052 3408660, e-mail: pit@utp.edu.pl

The organizer should be informed about the results of the agreement with TP S.A. or UORSK/MAN.

6. RESIGNATION FROM THE PARTICIPATION

- a) Resignation from the participation in the Exhibition requires written form otherwise the date the office receives the written resignation shall be the date of the cancellation of participation.
- b) If the participant resigns from taking part until 31st July, 2008 it bears the administrative costs in the amount of 75 EUR.
- c) In case of resigning from participation after 31st July, 2008, the participant is obliged to pay 40% of the gross price.
- d) If the participation is cancelled less than 14 days before the Exhibition starts, the participant is obliged to pay 100% of the value of the order.

7. STAND LOCATION

The Organizer in written form confirms the acceptance of application:

until 18 August, 2008 acceptance of application defining:

- a the admitted stand surface,
- a the acceptance of the Firm Seminar (in case of application),

until 18 August, 2008 the firms with regulated dues amounts:

- a the place of exposition (stand number, outline),
- a the admitted limit of the electrical strength.

The demands of the Firm taking part in the Exhibition concerning the location of the stand will be taken into consideration by the organizers (as the need arises).

8. THE BUILDING OF THE STAND

- a) The exhibitor is obliged to send the project of the building (architectural and electrical installation) in order to confirm the organizer at least 14 days before the beginning of the KSTiT.

The height of the stands is limited:

- a in building A up to 2,8 meters,
- b) The organizer does not ensure the water supply to the stand. The water is accessible in the sanitary bends in the building A. There will be 4 stations of water supply together with the wash stands for the exhibitions in the green grounds.
- c) The exhibitor is obliged to define in the Application Form the demand for the electrical energy.
- d) The Exhibitor is obliged to deliver to the organizer the information about the firm making in his name building. The firms which going to make the building of the stand of surface is in duty to coordinate the term (the day, the hour) of beginning the building of the stand and notify about the arrival the office of the Exhibition room 22 build. A otherwise of the exclusion of activities.
- e) The terms of the building of the stands:
- a The building of the stands 8th - 10th September, 2008, in other places the earlier term is for coordination,

Registration of the Firm Catalogue

The files should be prepared as the pattern
below shows:

Firm's name

**Firm electronic data: Address,
telephone, email, www.**

**Characteristic features of the Firm, max
150 words.**

**Please mark the letter in the alphabetic
order under which we are supposed to put
the name of Your Firm.**

Materials intended for the purpose of being entered in the catalogue are to be sent electronically (files in formats: doc, rtf, txt are accepted) on a disc or to the e-mail address:
stefan.strozecki@utp.edu.pl

**In the area "Temat/Subject" e-mail news
the name of the firm should be given.**

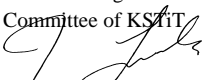

**Entries to the Firm Catalogue will have
been accepted by 15st August, 2008.**

Not delivering the above mentioned materials in due time will result in placing in the catalogue exclusively the firms address according to the application form. Files are to be prepared according to the below pattern.

**Rules of the competition for "The Best Firm Seminar"
during the National Symposium of Telecommunications
and Teleinformatics .**

1. The application of the participation in the competition* together with sending the seven copies of the lectures on the address of the Institute of Telecommunications of the University of Technology and Agriculture in Bydgoszcz until 25 th August, 2008.
2. The lecture must be delivered by the representative of the Firm.
3. The Committee of the Competition is appointed by the Programmatic Committee of KSTiT.
4. The Firm Seminars are evaluated by the Competition Committee, which will choose the best three of them.
5. Up-to-date topic of the lecture and the form of contents presentation will be taken into consideration.
6. The verdict of the Committee of Competition will be introduced at the Plenary Session finishing KSTiT.
7. Awarded firms will receive the medals and certificates.
8. Information about the awards will be placed in the conference materials in the following year as will let the Minister of Economy and the Supervisor of the Office of Electronic Communications know about them.

Supervisor of the Programmatic
Committee of KSTiT

prof. Józef Lubacz, D. Sc.

* Concerns only the lectures for the firm seminars sent until 31st July, 2008.
